ASROCKS PROJECT: SELECTED DETAILED DEMONSTRATION SITES FOR ACTION 2

The Steering Committee of ASROCKS project decided on 27 August 2012 based on the suggestion of Management board that selected detailed demonstration sites of the ASROCKS project for the Action 2 are:

1. Harjuniitty in Nokia (construction site)
2. Nokia in Nokia (rock aggregate production site)
3. Marjamäki in Lempäälä (rock aggregate production site)
4. Alternatively Koivisto in Pirkkala (construction site) or Patavuori in Valkeakoski (rock aggregate production site).

The fourth detailed demonstration site confirmed 10 September, and it is Koivisto in Pirkkala (construction site). Therefore the four final demonstration sites are (on 17 Sep 2012):

1. Harjuniitty in Nokia (construction site)
2. Nokia in Nokia (rock aggregate production site)
3. Marjamäki in Lempäälä (rock aggregate production site)
4. Koivisto in Pirkkala (construction site)

The detailed studies will be carried out in these demonstration sites in autumn 2012.
